

CAN'T MONKEY WITH JUSTICE IN HOUSE'S COURT

Magistrate Denounces Forgetfulness of a Complainant As a "Frame Up."

PERJURY CHARGE MADE.

Complainant and Man He Accused of Robbery Each Put Under \$5,000 Bail.

"You fellows can't monkey with the wheels of justice while I'm riding in her cart," declared Magistrate House with much vehemence to-day in Morrisania Court. "I won't tolerate these outrageous frame-ups. It's got to be a habit of lawyers and prisoners and, I'm sorry to state, policemen, too. It must cease. Clerk, place a charge of perjury against this complainant. I hold him in \$5,000 for so hearing to-morrow and I hold the prisoner in \$5,000 for a hearing right afterward on a charge of obduracy."

This is only part of a scathing denunciation of police court methods administered by Magistrate House to-day. His words threw a group of lawyers and court habitués into a confusion. The complainant, Gerardo Orachio, forty-three years old, of No. 90 Morris avenue, two years ago from the New York Central Railroad, last November for the loss of an arm. Half of it went to his lawyer and he was black-jacked and plundered of the remainder the night he got the money. He swore out a warrant charging Peter Moccio, of No. 34 East One Hundred and Fifty-second street, with the hold-up. Moccio—a character in the Bronx—disappeared at least yesterday did not find him. Yesterday he gave himself up to Detective Heffernan and Farrell, of the Bronx precinct. Magistrate House scented a mouse and personally investigated the case. Orachio was his assailant to-day. The Magistrate asked him if he had not sworn that Moccio beat and robbed him when the warrant was issued. Orachio explained that a person told him Moccio had done it. One of Mr. Jerome's associates' outburst. He followed it by calling up District Attorney Jerome's office. One of Mr. Jerome's associates will prosecute the charge of perjury against Orachio to-morrow. Both men were taken to jail.

NEGRO BROUGHT BACK FOR ALLEGED MURDER.

Gray, Charged With Killing Woman Here, Tried to Shoot Another in Chicago.

Frank Gray, a negro, was locked up in Police Headquarters to-day to answer to the charge of murdering Mamie Gray, a negro woman who posed as his wife, on Sept. 15, 1906.

The woman and Gray then lived at No. 25 West Thirtieth street. On the night she was killed the woman was walking in front of St. John Baptist Church, No. 200 West Thirtieth street, when she was suddenly shot through the head. She died instantly. Police Officer Upton, then new on the force, suspected Gray of the shooting, and has been keeping a watch for him since. Recently Upton was brought down to Police Headquarters for duty. He then learned that Gray was in Chicago under arrest, charged with attempting to shoot a woman. Upton went to Chicago and brought Gray back here to be tried for the more serious offense.

MARSHAL HALSTEAD DEAD. CINCINNATI, Jan. 30.—Marshal Halstead, ex-consul to Birmingham, England, and formerly prominent in local newspaper work, died last night after an operation for appendicitis, aged about thirty-eight. He was a son of Murat Halstead. About six months ago he married an heiress, Miss Clara Lukens, heiress, and only last Monday was elected to the board of directors of the Lukens-Heim Company.

"The Merry Widow." A serial romance, jolly and captivating as "The Merry Widow" waltz, and written by Albert Payson Terhune, will begin in Saturday's Evening World.

I Cured My Rupture

I Will Show You How To Cure Yours FREE!

I was practically helpless and bed-ridden for many years from a double rupture, were innumerable different kinds of trusses and appliances. Some of them were torturous, some positively dangerous, and none would hold the rupture in its proper place. The doctors told me I could not expect to have it entirely healed unless I would consent to a large operation. I could not do this, however, and cured myself completely and permanently by a simple method which I discovered. Anyone can use it, and I will gladly send the cure free by mail to anyone who writes for it. Fill in the coupon below and mail it to me to-day. I will send the cure by return mail, postpaid.

Everybody knows that the very last stopping point in price cutting is reached on the Bloomingdale's monthly coupon day. Conditions that existed in the general market in the recent past—when manufacturers made all sorts of sacrifices for ready cash—and the digging up of broken lots, discontinued patterns, etc., from our own stock during the late inventory, have contributed much to make the first coupon day of 1908 a day to be written in brilliant red. Do not, for a minute, think of missing any of the chances afforded. To do so is to be absolutely extravagant.
No mail, phone or telegraph orders will be accepted for any of the couponed goods, nor will any of the merchandise be sent C. O. D. None sold at the prices named unless coupon is presented.
